Dear all at Calderfield Golf & Country Club,

Thank you to all members and sponsors for supporting Prostate Cancer UK during your golf day. Your donation of £2983.27 is already being put to good use.

**Your gift means we will find a better way to diagnose and treat prostate cancer sooner. You're also helping us to support more men and their families when they need us most.**

It takes time and effort to fundraise and raise much needed awareness in the community. I can't thank you enough for your dedication and hard work. We couldn't do it without you.

Thank you again
