QUESTIONS FROM THE FLOOR

From Jason Hibbbs- 7 day member:

- Q) Will the committee join me in congratulating not only the green staff but the management team for their self discipline in closing the course or implementing restrictions during the recent bad weather.
- Q) Would the committee discuss a review of the schedule for 2023 with consideration for any shorter opportunities such as making a 2022 commitment on the number of drawn competitions and replacing some of the Dec/Jan scrambles with other formats?
- Q) Will the Committee and Management team consider internally and with a wider member input the opportunity for a half way house behind the 10th tee which could double up as a Marshal point, Halfway house and also to monitor the fishing lake?
- Q) Are there any plans to restore the practice facility before the Spring of 2022?

QUESTIONS FROM THE FLOOR

Pt 2...

From Matthew Jackson- 7 day member:

- Q) Will the Committee consider reverting the Club Championship & Secretary's Bowl back to its original format? One or two day event?
