More than just a Golf Club

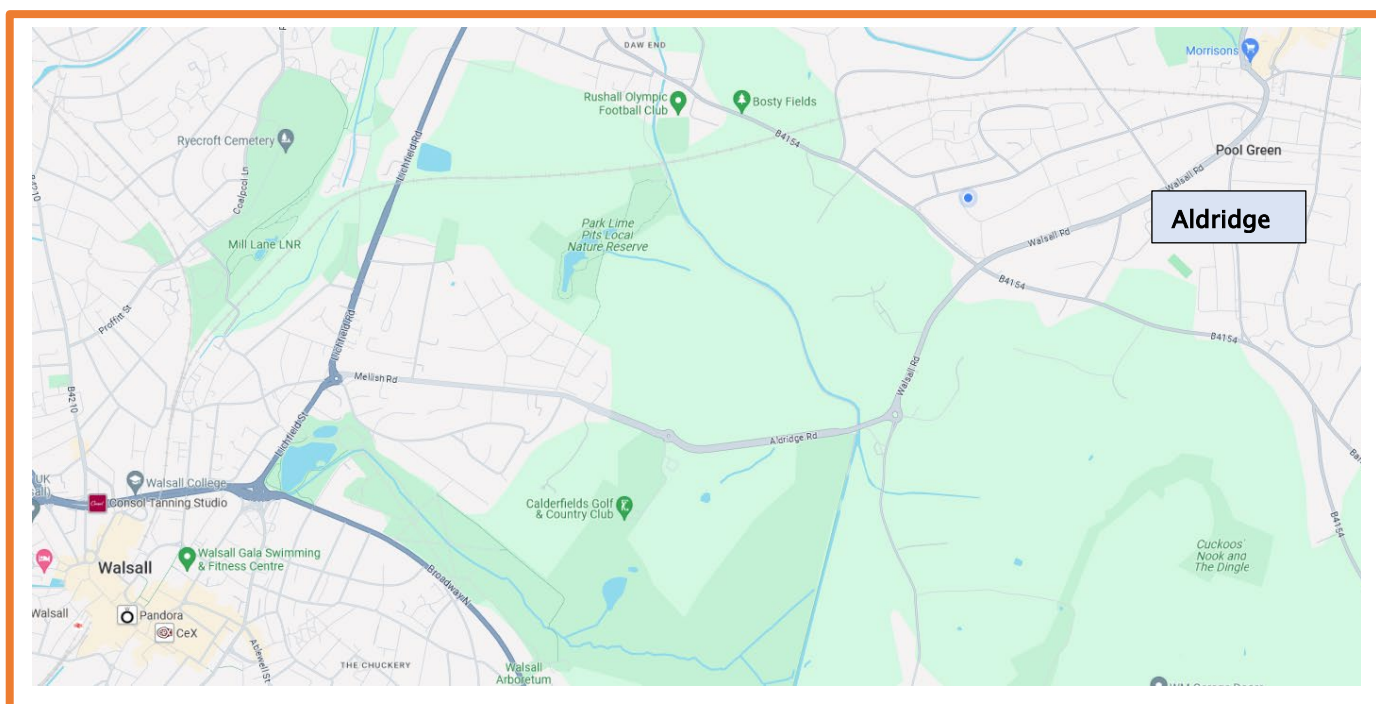

Welcome

This visitor's guide is designed to assist you in making the most of your visit to Calderfields Golf and Country Club.

Our flat parkland course is located between Aldridge and Walsall on the A454. It is nestled between arable farmland, the Walsall Arboretum and the Rushall canal.

We offer a warm, relaxed and friendly welcome with all of the expectations of the Twenty-first century golfer.

Practice Range

Our Practice Range is available to allow you to warm up prior to going out on the course. A basket of range balls is available from our Pro Shop.

Please note that any club above a 7 iron are NOT allowed to be used on this facility.

We also have a couple of Practice Nets will are readily available for you to use.

Buggies

We have a brand-new fleet of electric buggies that are fitted with the latest Pace Technology which will enable you to get accurate GPS distances and detailed course information on their high-definition screens.

We advise you to pre-book your buggies in advance of your round, to avoid any disappointment on the day.

Please pick up your buggy key from our Pro shop.

Practice Areas

We have two Practice Areas available for you to use.

These are: chipping Area on the left of the main path towards the first tee and the putting area is on the right.

Course Status

Information regarding the course status is updated every day of the year. This information is available on our website www.calderfieldsgolfclub.co.uk or follow us on Facebook: Staffordshire Performance Golf Centre.

Visitors' Locker Room

These are located in the Clubhouse with their entrance opposite the reception desk. Please use these facilities to get changed/ready prior to and after your round of golf.

Please do not get changed in the Car Park.

On the Course

Please arrive at the first tee at least Ten (10) minutes before your tee time.

The Course

This 18-hole, Par 72 course can prove to be a challenge for all level of golfers with three Par 5 and three Par 3 holes. It has many feature holes but the signature 8th hole which is just 317 yds requires a straight drive to ensure you can accurately get over the lake on to the inviting green.

Pace of Play

A standard four ball round of golf should take 4 hours and 15 minutes. Please be aware of your position on the course and always keep up with the group in front, not just ahead of the group behind.

Please play without delay and allow faster groups to play through.

In support of the R&A proposal to help speed up play we have adopted the 'Ready Golf' philosophy which all golfers playing at Calderfields G&CC are required to uphold.

The pace of play is monitored and groups playing slow will be asked to “speed up”.

Dress Code

Although our dress code is fairly relaxed, we do require a minimum standard of attire, therefore, we ask all visitors to wear clothing that is smart recognised golf attire. (if in doubt, simply refer to what Professionals wear on their tours). This means that we expect all golfers to wear shirts which have collars and sleeves (Mock neck shirts are acceptable), smart trousers or tailored shorts. If caps are worn, they must be worn with the peak at the front. Caps are not allowed in the clubhouse.

Items of clothing which are not permitted on the course include: Football shirts, Tee Shirts, Jeans, Jogging or tracksuit bottoms, Beach or Sports type shorts, Trainers or Sandals.

Course Etiquette

We expect all our golfers to always behave in a polite as well as courteous manner and to respect the course by repairing pitch marks, replacing divots and raking bunkers.

Greens staff should be always given priority.

Trolleys

Must not be taken on to the teeing areas, between the greenside bunkers and on to the greens.

Any specific further restrictions will be noted on the board outside our pro shop.

Mobile Phones

The making and receiving of calls on the course are not permitted. Phones may be used on the course in emergency situations only.

Suspension of Play Due to a Dangerous Situation:

In the event of a dangerous situation for example a lightning storm, play will be suspended immediately. This is signalled by the sounding of the hooter/klaxon. In this event, players must vacate the course immediately.

Score Card

Play should be from the yellow tees for men and from the red tees for ladies.

The 150 yds marker is measured from the front of the greens.

Please check the white board outside the Pro shop for any additional local rules.

The slope rating chart is displayed on the noticeboard adjacent to the first tee.

The Clubhouse

Our clubhouse with its raised patio area is a great place to sit and relax after your round of golf. With magnificent panoramic views across the tree laden parkland course with our fishing lake in the distance.

Within the Club House you will find the Golfer's lounge which has been recently rebranded "Alan's Sports Lounge" so called as a tribute to one of our Directors who sadly died in 2022. In here are a couple of large televisions with live Sky Sports, a pool table and a dart board.

Located next to this lounge is the Golfer's Conservatory where you can sit back and enjoy a sandwich whilst watching other golfers warming up and preparing to tee off.

The provision of high-quality food and refreshments is an integral part of the clubhouse and for that reason we use locally sources suppliers, the team of expert chefs always prepare and cook the food on site.

Whether you want a breakfast, light snack, or a three-course meal we have got it covered with our regular menu along with our "daily specials" menu.

Food is available every day from 08:00 and closing times do vary depending upon demand.

Please note our bar and restaurant areas are completely cashless.

The Log Cabins

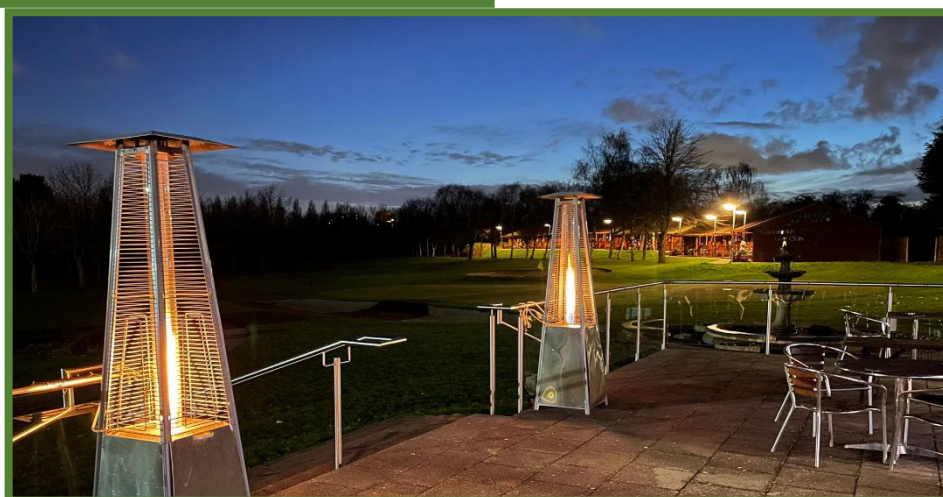

Each of our cabin sits next to the 18th hole fairway with some great views over the parkland golf course. They are all south facing so you are met in the morning with the rising sun.

Each cabin comes with Freeview television, twins or double bed, tea/coffee making facilities, wardrobe, desk and spacious en-suite all tastefully finished with a marble and granite interior.

Located just 100 yards from our free car park and with no steps to negotiate, the cabins lend themselves perfectly to any disabled or elderly guests.

Check in is from 3:00 pm and please check out by 11:00 am, however, you are welcome to ask for an early check in or late check out.

If you arrive and our reception desk is closed, then one of the team at the bar will quickly process your check in.

The Fishing Lake

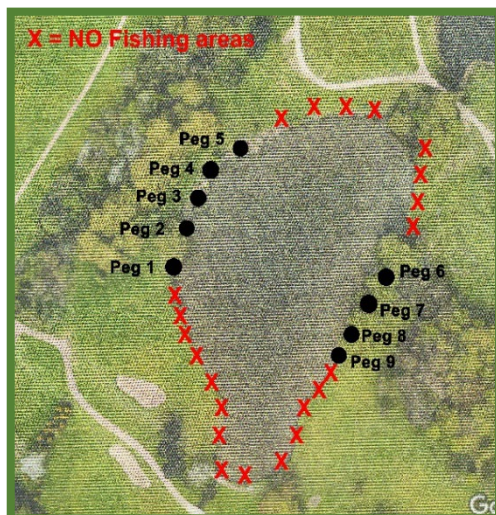

The lake accommodates just eight pegs which are all sheltered from straying golf balls, meaning fishermen can enjoy a day of uninterrupted contentment.

The fishing lake is open to the public and you must register at our pro shop where you will receive a warm welcome before signing a waiver and learning any specific and safety instructions before being issued a day ticket.

The lake is open from dusk till dawn and any overnight fishing is strictly prohibited as too are BBQs and campfires.

The lake plays host to a variety of fish including Common carp, Mirror carp, Roach, Rudd, Perch and Tench.

We receive regular compliments about the health of our fish, and it is not uncommon to see weights of 15lbs and over!
