Your Questions Answered

We've got a date in mind for our wedding – what do we do now?

Because we take wedding bookings so far in advance you should contact us as soon as possible to check availability. We sometimes have dates available up to the last minute, especially for less

traditional days such as midweek weddings, so it's often worthwhile giving us a call. At this point we can also arrange for you to come and visit the club, have a look around and discuss

your general requirements.

You have the availability on the date we want, how do we confirm our booking?

We will provisionally hold the date for you for a pre-agreed time, up to 7 days. To confirm your booking all you need to do is sign and return a copy of the Terms and Conditions of the booking,

together with your administration fee.

When do we discuss the finer details?

Your personal wedding coordinator will arrange to meet with you 6-8 weeks before your big day to discuss everything you will need to know: menus, flowers, table plans etc. They will be your main point of contact up until the day itself at which point your wedding host will take over and ensure your day goes smoothly.

If you wish to meet any time beforehand, please do not hesitate to contact us.

When do we need to agree our final numbers?

To allow us to plan your wedding efficiently you will need to provide us with final guest numbers 60 days prior to the wedding.

When will we need to pay the final balance?

Full payment of the balance is due 90 days before your wedding.

Who will be around on the day itself to make sure everything goes as planned?

On the day itself you will be met by your wedding host who will be on-hand to provide their support and ensure everything happens exactly as you planned. They will have worked closely

with your wedding coordinator beforehand to ensure they have a thorough understanding of

every single detail, so you don't need to have any worries.

Naked Flames and Alcoholic Favours?

Due to insurance purposes and for reasons of health and safety we are unable to allow our couples the use of naked lit flames for table centers or decorations and alcoholic favors are not permitted.

Who decorates my wedding venue?

Whilst our dedicated staff will ensure all function rooms, linen and cutlery are presented to the highest standard we do not accept responsibility for constructing, preparing or presenting any props, decorations or material provided by the bridal party. Please arrange for this to be done separately.

How much of the venue do I get to enjoy?

On your special day you will have full use of any function room and bar within your package. Your package may also include use of the wedding lawn for photographs, we kindly ask that confetti is only used on the beer garden (see manager) and children and guests are strictly forbidden due to health and safety reasons from playing on or entering any part of the golf course. This includes the small fountain, lake and sand bunkers.

If you have any further questions please don't hesitate to get in touch.
